## Where:

### Marsing American Legion Community Hall

126 North Bruneau Highway  
Marsing, ID 83639

## Rangeland CDE Location:

- Idaho's iconic rangelands comprise more than 45% of Idaho lands.
- Rangelands are ecologically diverse landscapes that vary depending on precipitation, topography, soils, etc.
- To help students understand the rich opportunities and complex challenges on rangelands across the state of Idaho, we propose rotating the State Rangeland Assessment CDE each year.
- Proposed rotation by year:
